Read the following:-

Memo No. 13083-J/51-1, dated 5-2-1951.
From the Board of Revenue Ref. No. BPMis.179, dt. 14-2-50.
From the Government of India, Ministry of Natural Resources and Scientific Research, New Delhi, No. M.II-152(71), dated 16-5-1951.

Order:

The Board of Revenue has recommended among others that provisions may be made in the Mineral Concession Rules 1949, for the collection of stamp duty of Rs 1/8/- on every application for a mineral concession, as in the case of the rules in the Madras Mining Manual. The Government have been advised that the applications for mineral concessions under the Mineral Concession Rules do not fall within the scope of Article 1(c) or 10 (c) of Schedule II to the Court Fees Act. They therefore direct that in partial modification of the instructions in paragraph 1 of the Government of India's letter No. MII.132(71) dated 31-1-51 and communicated with the Memo read above, the stamping of applications for the grant of Certificate of Approval, Prospecting Licences or Mining Leases should not be insisted upon.
